

AMRI Hospitals Bhubaneswar launches its INFORMATION CENTER at Berhampur

- **Berhampur Information Center is the latest addition to the 4 other Information Centers of AMRI Hospitals across Odisha**
- **Joins hands with AMIT Hospitals, Berhampur to provide the service**

Berhampur, 5th May, 2015.

AMRI Hospitals, Bhubaneswar announced the launch of its INFORMATION CENTER in Berhampur, Odisha with an aim to extend its services of quality healthcare to the people of Berhampur. The AMRI Information Center was launched in association with Berhampur's AMIT Hospital, who will provide the infrastructure to run the facility. AMRI Hospitals, Bhubaneswar is part of AMRI Hospitals Group, which is one of the largest and fastest growing chain of Super Speciality hospitals in Eastern India.

“We are happy to announce that today we have joined hands with AMIT Hospital to extend our services to the people of Berhampur. Our specialist Doctors will visit the Information Centre every week and provide consultation services.” said (Retd) **Adm Dr.Salil Kr. Mohanty, SM, VSM, Vice-President & Unit Head, AMRI Hospitals, Bhubaneswar.**

Speaking on the event **Dr. Subash Chandra Bisoi, Director, AMIT Hospitals** said, “The Multi-specialty services in AMRI Hospitals, Bhubaneswar is one of the best I have seen in hospitals in India. They are well equipped with their cutting-edge technology in healthcare facilities to handle all types of medical cases including critical problems. Obviously, this Information Centre will be a great help for the patients to consult the specialist doctors of AMRI. Moreover the patients who need critical care, can be shifted to AMRI Bhubaneswar”.

The Information Centre is a unique concept where people can get information regarding specialties and various offerings at AMRI Hospitals. Specialists across the area of heart care, orthopedics, Neuro science, Urology and Nephrology and Gastroenterology will be visiting the Information Centre regularly and will be available for consultations. This will help the people of Berhampur and its neighboring areas to consult the specialists from AMRI Hospitals in their own city and will give them access to the best of medical talent, super specialty care and treatment.

The following specialist doctors will be available in the Berhampur Information centre in every month.

INFO CENTRE CALENDER April--June 15

AMRI Hospitals, Bhubaneswar, a Super Specialty tertiary care centre is the latest addition to the AMRI Group of hospitals, the largest and fastest growing chain of hospitals of Eastern India. The hospital had started its functioning a year back and has been providing world class super speciality care to the people of Odisha. In our endeavour to reach out to all the corners of the state we have already opened many information centres in collaboration with local leading hospitals. To name a few, we have already opened the information centres in Angul, Puri, Cuttack and Sambalpur districts.

About AMRI Hospitals Ltd

AMRI Hospitals, a multi-speciality healthcare facility in Eastern India with specialization in Oncology, Neuro Sciences, Cardiac Sciences, Orthopaedics, Emergency & Trauma care, Gynecology & Childcare is the largest player in private sector with its existing strength of around 1000 beds. With its state-of-the-art equipment and modern facilities, AMRI is ensuring that people from Eastern India are provided affordable high quality medical care in the region, so that patients need not travel to other parts of the country for medical treatment. Capacity expansion is also underway at AMRI for additional beds in its existing facilities in Kolkata. A 400 bedded state-of-the art super-speciality hospital has recently become operational in Bhubaneswar. AMRI Hospitals will soon be setting up a new 400 bedded facility in West Bengal with an investment of Rs.500 crs. The Group is committed to serve the people of Eastern India and has plans to add another 600-700 beds in the next 3-4 years.

AMRI Hospitals is part of Emami Group of Companies.
